Dear District Executive Committee:

I cannot place enough emphasis on the importance of your role in the grass roots administration of UIL activities. Please review the following information at the beginning of the year and take this document, the Side-by-Side Manual, the UIL Constitution and Contest Rules, and a manual for the sport(s) you will be considering with you to your meetings. We appreciate your time and work in serving the student athletes within your UIL competitive district. Best wishes for a successful UIL year. Please do not hesitate to ask if you have questions.

Executive Director
