

**CERTIFICATION OF  
REQUIRED HOURS OF CONTINUING EDUCATION  
FOR BOARD MEMBERS**

19 Texas Administrative Code  
Chapter 61., School Districts  
Subchapter A., Board of Trustees Relationship

19 Texas Administrative Code, Chapter 61.1 (j) requires that “the current board president of each local board of trustees shall announce the name of each board member who has completed the required continuing education, who has exceeded the required hours of continuing education, and who is deficient in the required continuing education. The Code also requires that the minutes of the last regular meeting of the Board of Trustees held during a calendar year must reflect whether each trustee has met or is delinquent in meeting the training required to be completed as of the date of the meeting (TEC, Section 11.159(b)). The Board president shall also cause the minutes of the local board to reflect the information, and shall make this information available to the local media.”

A legislative session was not held in 2016. Therefore, a Level I continuing education, orientation/update on the Texas Education Code, was not applicable.

Level II team building, which is required for all Board members and the Superintendent, was conducted on November 29, 2016. All Board members and the Superintendent, Mr. Juan E. Cabrera, participated in the session.

Board members Dori Fenenbock, Al Velarde, Trent Hatch, Susie Byrd, Diane Dye, Bob Geske, and Charles Taylor met or exceeded the requirements for Level III continuing education.

**ATTN Board Members:** Because your district, not TASB, is the official keeper of record for your continuing education credits, you should report any errors or missing training credits to your superintendent's secretary rather than to TASB.

**ATTN District Personnel:** If you have revisions or additions to the training detail contained in this report, please follow the instructions below.

1. If information already listed on the report needs to be revised, the district recordkeeper should mark the necessary change on the report itself and fax it to TASB. Please allow 30 days for TASB to post the changes.

2. If TASB training took place that is not listed on the report and it has been at least 30 days since the training, the recordkeeper should fax TASB a copy of the certificate or credit/scantron form provided at the event. If training documentation has been lost, fax TASB the name of the board member, name and date of the event, name of each session attended and the number of credit hours earned for each session. Please allow 30 days for TASB to post the changes.

3. If non-TASB training took place that is not listed on the report, the recordkeeper should submit the credit on-line.
