

PROPOSED REVISIONS

VISION

Education will become our community's highest priority and El Paso ISD graduates will be its most productive contributing members.

~~The mission of the El Paso Independent School District, in cooperation with the community, is to graduate through a balanced, dynamic curriculum that embraces our unique cultural diversity - educated, responsible citizens who will be competitive in the world.~~

CORE BELIEFS

The District's core beliefs are:

- 1. Students come first in all actions and decision-making.**
- 2. In an appropriate setting and with the proper instruction, every child can learn.**
- 3. Every child is entitled to a teacher that is the best we can hire for that position and who believes every child can learn.**
- 4. Students will be more productive community members if they value community service and civic mindedness.**
- 5. We must be open and transparent in our dealings with the public and be fiscally responsible with our resources in order to allocate appropriately.**
- 6. The District will have zero tolerance for immoral, unethical, and illegal behavior.**
- 7. We have a competitive advantage as our community is bilingual, bicultural, and biliterate, and should be supported in the classroom.**
- 8. Family engagement is critical to the success of students.**
