

PROPOSED REVISIONS

No animals, except those used in the instructional program or used as service animals, shall be allowed in ~~school~~**District** buildings, on ~~campus~~**District** premises (such as playgrounds, walkways, parking lots, and the like), or at any athletic event. This policy in no way regulates the use or presence of trained law enforcement dogs.

If a teacher or student wishes to use a live animal for instructional purposes in a ~~school building~~**District facility** or on a campus, the teacher or student shall request prior approval from the ~~campus administrator~~**principal**. [~~See Curriculum and Instruction Bulletin 4 Live Material Center~~]

No animals, except for service animals, shall be transported on school buses.
