Threat Assessment
Process

The District shall develop procedures as recommended by the Texas School Safety Center. In accordance with those procedures, the threat assessment and safe and supportive team shall conduct threat assessments using a process that includes:

1. Identifying individuals, based on referrals, tips, or observations, whose behavior has raised concerns due to threats of violence or exhibition of behavior that is harmful, threatening, or violent.
2. Conducting an individualized assessment based on reasonably available information to determine whether the individual poses a threat of violence or poses a risk of harm to self or others and the level of risk.
3. Implementing appropriate intervention and monitoring strategies, if the team determines an individual poses a threat of harm to self or others. These strategies may include referral

of a student for a mental health assessment and escalation procedures as appropriate.

For a student or other individual the team determines poses a serious risk of violence to self or others, the team shall immediately report to the Superintendent, who shall immediately attempt to contact the student's parent or guardian. Additionally, the Superintendent shall coordinate with law enforcement authorities as necessary and take other appropriate action in accordance with the District's multihazard emergency operations plan.

For a student the team identifies as at risk of suicide, the team shall follow the District's suicide prevention program.

For a student the team identifies as having a substance abuse issue, the team shall follow the District's substance abuse program.

For a student whose conduct may constitute a violation of the District's Student Code of Conduct, the team shall make a referral to the campus behavior coordinator or other appropriate administrator to consider disciplinary action.

As appropriate, the team may refer a student:

1. To a local mental health authority or health-care provider for evaluation or treatment; or
2. For a full individualized and initial evaluation for special education services.

The team shall not provide any mental health-care services, except as permitted by law.

Guidance to School

Reports

The team shall provide reports to the Texas Education Agency as required by law.
