

~~The associate superintendent for operations and support services shall:~~

- ~~1. Make a selection of a qualified architect and/or engineering consultant (A/E).~~
  - ~~2. Establish the scope of the work and determine the appropriate fee based on project complexity, and prepare a proposed contract.~~
  - ~~3. Have a proposed contract executed by the A/E.~~
  - ~~4. Submit the proposed contract to the District's legal counsel for review.~~
  - ~~5. Submit the proposed contract to the Board for approval and signature.~~
- ~~0. All contracts required to be submitted to the Board must be approved by the Board before the A/E proceeds with any work on the project.~~

~~The Board shall be informed of all professional services agreements when the fee does not exceed \$14,999.~~
