2013 Performance Index

State accountability ratings are based on four performance indexes: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness. The bar chart below illustrates the index scores (ranging from 0 to 100) for this campus for a given index. The *Target Score* -- the score required to meet each index's standard -- is indicated below the index description and as a line on each bar. In order to receive the **Met Standard** accountability rating, the campus must have met or exceeded the target score on each index evaluated.

2013 Accountability Rating

Met Standard

For 2013 state accountability, campuses are rated as **Met Standard**, **Improvement Required** or **Not Rated**. The rating, **Met Alternative Standard**, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.

Distinction designations recognize outstanding academic achievement in reading/English language arts and mathematics. Campuses that receive a rating of **Met Standard** are eligible for three distinction designations: **Top 25% Student Progress**, **Academic Achievement in Reading/English language arts (ELA)**, and **Academic Achievement in Mathematics**
